

## Duston Eldean Primary School

### Primary PE and Sports Premium 2022-2023

#### DFE Guidelines

Schools must use the funding to make additional and sustainable improvements in the quality of their physical education, physical activity and sport.

This means that you should use the premium to:

- Develop or add to the PE, physical activity and sport that your school provides
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools should use the premium to secure improvements in the following 5 key indicators:

1. Engagement of all pupils in regular physical activity
2. Profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

**Period:** 30th April 2022–2023

**Total projected expenditure: £20,170**
